Dear Sirs:

Kindly advise if you are able to supply a copy of a book by A. Taullard, "Monnaies de la Republic Argentina" published in your city in 1921. I was informed that this was a limited edition of 200 copies. Is this correct? On receipt of your reply, I trust to be able to send you an order for a copy if it is available.

Very truly yours,

Dear Mr. Noe: -

A letter from Casa Pardo, of Buenos Aires, tells me they wrote the Society direct on August 22nd. asking for membership, which has never been acknowledged. Did you ever get such a request?

They have asked me to present their name as members, and forward them bill for fees etc, and they will make remittance promptly. Of course they will have to be regularly elected at the next Council meeting, and I will so write them, when I hear from you about the August letter, which I am sure you must not have received, or would have reported.

They are dealers in Coins, medals and stamps, and publish the brochure "La Filetela" which Mr. Wood sowed me some time back. I have dealt with them, and it was they who bought my four monographs on medals.

Yours truly,

Dear Sirs:

The books sent by you recently have been received and I am very much pleased to have them. I note that you are trying to obtain a copy of Medina's book *Medallas Chilenas*, and in this I hope you will be successful.

You wrote that you had a number of South American decorations on hand. Would it be too much to ask that you send me a list of these with the list price stated in every instance, and if it does not involve too much additional labor, I should be gratified if you could give reference to the books in which the decorations are described.

Thanking you for previous courtesies, I beg to subscribe myself,

Dear Sirs:

Responding to your letter of April 9th, the price asked for Medina's MEDALLAS CHILINAS - 150 Argentine paper pesos, seems rather high to me unless the book is expensively bound. If you feel that there is little likelihood of your being able to obtain another another copy within a reasonable time, you may accept the copy you have offered us at this price.

Thank you for sending the list of South American decorations. Will you be so good as to send on approval Nos.

Under date of August 22nd, you sent us a copy of Medina's Medallas y Monedas Chilenas in two volumes at a price of \$.150. Argentine pesos. The order which we sent you called for the Medallas Chilenas only and we therefore have no need for the volume on the Monedas. Messrs. Casa Pardo,
Calle Sarmiento, 563,

Gentlemen:-

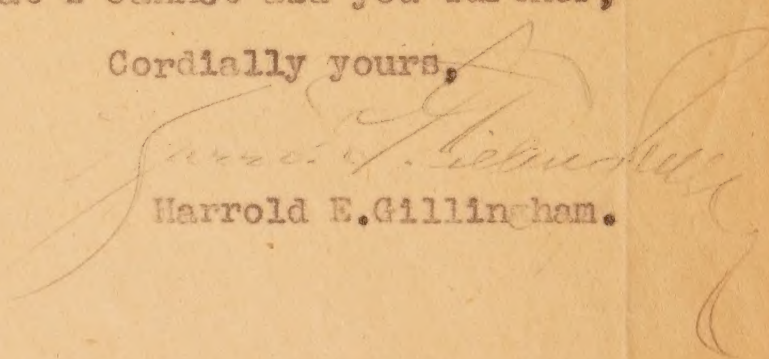

Answering your query of the 2nd. November I beg to advise you that the five pointed cross, of which you sent me a rubbing, is in my opinion, that generally called the STAR OF MEIGAREJO 1868, which is described on page 60 of monograph no. 56, issued by The American Numismatic Society. There is no official authority-as far as I know- for the issuance of this cross.

The rubbing of the small round medal, inscribed GRATITUD DE HUARAZ, 11 DE MAYO 1885, indicates a medal issued after the Peru-Chile War, which terminated about 1884, and this medal was probably issued by the city of Huaraz (Capital of Ancachs) for the termination of hostilities. This is merely my supposition. There is- as far as I know- no official authority for it; at least it is not mentioned in any publication which we have here or ever heard of.

You know there were many medals issued by the various South American republics- or given by their officials,-for which no Official Decrees have been discovered, and which have never been found mentioned in publications. This is not mentioned in your "Historia de los premios militares Republica Argentina" which includes many medals given by other republics.

Regretting that I cannot aid you further,

Cordially yours,

Harrold E. Gillingham.
